

Our Philosophy is to provide a secure, stimulating and educational environment for your child, where they can:

- Learn through play
- Build self-esteem & self-confidence
- Develop social skills
- Emotional development
- Prepare for Kindergarten
- Have fun!

Our Goal is to promote a love of learning for all children. All programs offer math, reading readiness, arts and craft activities, sensory activities, music, manners, cooking, outdoor play, gardening, yoga, science and nature study. Carefully planned schedules provide a balance of structured, learning and free play.

“Play is the highest form of research.”
